EDUCATION

IPS ACADEMY,Institute of Engineering and Science, Indore   **2022 – 2026**
B.Tech - Computer Science and Engineering - ***CGPA - 8.42***   *Indore, Madhya Pradesh*

EXPERIENCE

Full-Stack Web Developer Intern – DEBUGSHAALA ⤢   **March 2025 - Present**
Role - Full-Stack Developer   *Indore, Madhya Pradesh*
- Worked across the full stack using **HTML, CSS, JavaScript, Node.js, Express.js, and MongoDB** to build scalable web applications.
- Built responsive front-end interfaces and managed backend APIs and database schemas, ensuring seamless integration and performance
- Followed modern development practices including MVC architecture, RESTful APIs, and version control (Git/GitHub).
- Collaborated with a team to develop real-world projects following agile methodologies and code reviews.

PROJECTS

NUMBER GUESSING GAME ⤢ | Java, OOP, Random Number Generation   **Jan 2025**
- Developed a console-based Number Guessing Game in Java utilizing core Object-Oriented Programming (OOP) principles.
- Implemented random number generation and input validation to create an interactive and error-free user experience.
- Applied loops, conditional statements, and methods to enhance game logic and improve problem-solving skills.

Bubble Game ⤢ | HTML, CSS, JavaScript, DOM Manipulation, Event Handling   **March 2025**
- Built an interactive bubble shooting game using HTML, CSS, and JavaScript with score, timer, and hit counter features.
- Utilized JavaScript for real-time DOM manipulation, random number generation, and user interaction handling.
- Designed responsive grid layout and styled using CSS flex and transitions for a smooth user experience.

AI Chatbot ⤢ | HTML, CSS, JavaScript, Web APIs, Responsive Design   **May 2025**
- Built an interactive AI-powered chatbot interface using HTML, CSS, and JavaScript to simulate user queries and responses.
- Integrated front-end with JavaScript logic to handle message rendering, conversation flow, and input validation.
- Added features like suggestion prompts, command history, and dark mode toggle to improve usability.

Technical Skills and Interests

Languages: Python,Java , JavaScript, HTML5, CSS3, SQL
Libraries/Frameworks: Python Libraries, ReactJs, Bootstrap, Express
Web Dev Tools: Node.js, VS Code, PyCharm, IntelliJ, Git, GitHub, Canva
Cloud/Databases: MongoDB, Firebase, MySQL
Areas of Interest: Web Design and Development,
Soft Skills: Problem Solving, Self-learning, Presentation, Adaptability

CERTIFICATIONS

- Python - Courseera
- AI-Machine Learning -AWS Academy
- Artificial Intelligence -SimpleLearn
- Git , GitHub - Udemy
